PRIMARY BLOCK MOM AND ME LIBRARY NOTICE 2026-2027

Dear Parent,

24th August 2026

Mom and Me - Reading time together

A Unique library for mothers in the Primary Block was established in 2016 to encourage them to develop bedtime reading habits. You will be glad to know that it will open its doors to Primary Block mothers on 26th September 2026.

To become a member of this library, you must donate two suitable children's story books to the library, and you will be eligible to take four books of your choice every month, which must be read out to your child. After reading the book, please record the names on the **reading record sheet** provided to you during registration.

At the end of the Academic year, your name will automatically be registered in the “**Mother's Reading Competition**” if you have read more than twenty-five storybooks to your child. Based on the number of books the child comprehends, finalists will be selected by the class teachers, and their mothers will be interviewed before the winners are announced in June 2027.

I wish you a happy reading time with your child.

Best Wishes,

Shikha Dixit

Supervisor-Primary Block
