We are pleased to invite you to the **Parent Information Morning Session (PIMS)** for the Primary Block, which will be held on **Thursday, 3 September 2026, at 9:30 a.m.** in the school auditorium.

This session is designed to strengthen the partnership between home and school by sharing important information that supports your child's learning and development. We will discuss key areas, including school rules and policies, attendance and punctuality expectations, and the importance of building a strong educational foundation. In addition, we will introduce our leadership teams and explore effective ways for parents and the school to collaborate in supporting students' overall growth.

By attending, you will gain valuable insight into our approach to education, learn how best to support your child's learning journey, and ask questions and share your feedback.

Your presence is highly valued, and we strongly encourage all parents to attend. Together, we can create a positive, supportive, and enriching environment for every child.
